Place and date:

Mr./Mrs.

Company

INFORMATION ABOUT DATA PROTECTION AND LEGAL BASIS FOR PROCESSING (*General Data Protection Regulation (EU) 2016/679*)

The legal processing of personal data by the Autoritat del Transport Metropolità, needed for the managing of the enablement to become supplier of personalization of contactless user cards (SUS, by its Catalan acronym) made of PVC and/or cardboard as enabled in the T-mobilitat System, is based upon the exercise of public powers legally conferred on the responsible of the processing.

The aforementioned processing will be carried out by the ATM with the minimum data required, respecting the purpose of the data retrieved and limiting its storage to the purposes of the processing as foreseen and informed.

Responsible of processing	AUTORITAT DEL TRANSPORT METROPOLITÀ	<i>For more information please read the information below</i>
Purpose of processing	Enablement to become supplier of personalization of contactless user cards made of PVC and/or cardboard as enabled in the T-mobilitat System.	
Exercise of the rights of data subjects	Rights to access, rectification, erasure, portability, restriction and objection to processing, contacting the following e-mail address: atm@atm.cat	

Extended and detailed information about personal data processing related to the processing activity: <i>Enablement to become supplier of personalization of contactless user cards made of PVC and/or cardboard as enabled in the T-mobilitat System.</i>	
Responsible of processing	Identification: AUTORITAT DEL TRANSPORT METROPOLITÀ Address: C/ Muntaner 315-321, 08021 de Barcelona. E-mail address: atm@atm.cat
Purpose of processing	Managing the enablement to become supplier of personalization of contactless user cards made of PVC and/or cardboard as enabled in the T-mobilitat System. Periods/Criteria of data storage: during the relationship of the supplier with the ATM and until there are no responsibilities whatsoever derived of such relationship.
Legal basis for processing	Exercise of public powers conferred on the ATM, according to the competences conferred by its Statutes, approved by governmental agreement of the Generalitat de Catalunya dated 21 February 2017. Data categories: identification data, related to personal and professional features.
Data recipients	Data cessions recipients: exclusively foreseen those derived from the compliance with legal obligations. International data transfers recipients: not foreseen.
Rights of data subjects	Data subjects may exercise the right of access to their data subject of treatment by the ATM, the right of rectification of erroneous or inaccurate data, right to erasure when, among other reasons, the data is no longer needed for the purposes for which they were collected, and the right to data portability. In certain cases the data subjects may request the restriction of the processing of their data, in which case they will only be stored for the exercise or defense of claims. In specific circumstances and for reasons related to their particular situation, data subjects may object to the processing of their data. The ATM will cease to process the data, except for legitimate reasons or for the exercise or defense of possible claims. In order to exercise these rights you can send an email to the address atm@atm.cat .
